

## ***Valentine's Newspaper Activities***

### **Activity One:**

Have students make a Valentine's card using the newspaper. For example a picture of a broom cut from an ad could be glued to a paper heart with the saying "You've swept me off my feet", or a picture of a can of nuts can be used with the phrase "I'm nuts about you."

### **Activity Two: Scavenger Hunt**

1. Find something in the newspaper that is heart shaped.
2. Find an activity in the paper that you would just *love* to do.
3. Find 5 items that come in pairs.
4. Find a unique gift idea for someone you love.
5. Find an example of something good for the fitness of your heart.
6. Find of example of something heartbreaking.
7. Find an example of someone who has a lot of heart.
8. Find an example of good or heartening news.
9. Find an example of someone who is heartless.
10. Find an example of a "sweetheart of a deal" in an ad.
